It is proposed to give the allce which Narasinga Rao was drawing at Vizagapatam to Narana Iyengar in the central office - DL 22/5

on and from date as it would then be admissible to him, the incumbent holding the Special Tahsildarship which carries the good conduct allce which he was drawing in his former post, but subject to any future variation which may be ordered.

Yes. 24.5.

The proposal involves the conversion of a part of a lump sum grant for good conduct allowance (which may not be fully utilized every year) into a regular establishment charge. This course means additional liability to State funds. If considered absolutely necessary the proposed transfer may be made on condition (1) that the allowance in the central office will be a local allce admissible only to V. N. Iyengar & not to his successors and (2) that the grant for good conduct allowance will be correspondingly reduced so long as this allowance is drawn.
